

Looking Back: 10 great things that you helped to make happen in 2014

It's December already!

I can't believe how time goes by so quickly and another year is almost over. So much happened in 2014 and I wanted to take this opportunity to thank you for being part of it through your support and encouragement and to share with you some of the things I remember most about the year.

M'Lop Tapang's mission has always been to provide a safe place for the street children of Sihanoukville, offering care and support to any child at risk. In this last year we were able to do that more than ever and making an impact in the lives of thousands of Cambodian children.

With gratitude,

Eve Saosarin
Director
