

Children/Youth

Interesting read: "[Estimating the size of the homeless adolescent population across seven cities in Cambodia](#)", an article published by Columbia University that M'Lop Tapang was involved in.

Last month marked [International Women's Day](#). Did you know that at M'Lop Tapang almost half of the children we work with are girls and half of our staff are women?

Thanks to your support we continue to be able to assist thousands of children continue their education. For many, [like 11 year old Chan Mao*](#), they have a chance to get back into a classroom after having to drop out due to poverty.

Families

Helping families means helping children.

[After our medical outreach, and Futures teams helped single parent Veasna, his 12 year old son is now able to return to school.](#)

M'Lop Tapang's [Community Shelter](#) is located in one of the poorer areas of the city where many impoverished families live. [For caregivers like 84 year old the Community Shelter offers a safe place for many of her grandchildren to learn and play.](#)

[The Home Based Production Program helped to make sure Mealea's children completed their education.](#)

Communities

For the 12th year in a row our annual carnival event was a chance for children and youth to take to the streets and raise awareness in the local community through [colorful and energetic parades](#) and [night time concerts.](#)

The [ChildSafe Movement](#) continues to grow. We are very proud to have two new hotels in Sihanoukville certified as ChildSafe (the [De Luxx Boutique Hotel](#) and the [Moon Julie Hotel](#)) so far this year and join the movement in help keeping children safe.

[Learn more about how can get involved and join a community of people dedicated to protecting children.](#)

We are very pleased to announce that our 2016 Annual Report is now availalbe online.
